

MS no. xxx (the number of your manuscript)

Dear Doctor Xxx, (the surname of the Editor)

Thank-you very much for your email of xxx (the date of the editor's email to you about the manuscript). We are checking the revised manuscript for language errors but this process requires several days. We expect to submit the revised manuscript during the first/second/third/fourth (choose the correct number) week of xxx (month) but may not be able to submit it by xxx (deadline specified in the editor's email).

With best wishes,

xxx (your signature or name)
